UNJURY® maintains strict  
quality standards.

UNJURY® is Medical Quality Protein that you can count on in your everyday life.

**UNJURY Chicken Soup** is an easy way to enjoy the taste of chicken soup while getting 21 grams of protein -- as much protein as 3 eggs or 3 ozs of cooked beef or chicken -- without the high fat or cholesterol.

**UNJURY** is specially-designed by a dietitian to deliver Medical Quality Protein. Because of its high quality and ingredient purity, **UNJURY** is an excellent choice for virtually everyone.

**Great taste!**  
Another bonus from UNJURY's high ingredient quality is: Taste that is so good, anyone can truly enjoy it.

**UNJURY** Protein has a superb amino acid profile. It has a PDCAAS score of 100, the best and highest possible score. Many other sources of protein, even beef, do not get a score of 100.
